

Efficient Cleaning with Natural and Sustainable Ingredients

Why choose natural ingredients for your cleaning products?

They combine efficiency, safety, and sustainability, ensuring high cleaning performance, less aggression towards people, pets, and surfaces, as well as reducing environmental impact and adding value to the brand.

- ✓ Plant-based and biodegradable active ingredients, with a more sustainable profile and lower environmental impact.
- ✓ High cleaning efficiency with less aggression to the skin and surfaces, in addition to stable, creamy, high-performance foam.
- ✓ Compatible with mild formulations and frequent use.
- ✓ Natural alternatives for microbial, odor, and insect control.
- ✓ Meet the demands of consumers and brands for more conscious products.

Green surfactants

- ✓ Green CAPB-B
- ✓ Green Cocoamphoacetate-B

100% natural and pure
essential oils

- ✓ Tea tree essential oil
- ✓ Citronella essential oil
- ✓ Eucalyptus essential oil

CitroBio
Brazilian Biodiversity

Green CAPB-B

Mild amphoteric co-surfactant.

- Creamy and stable foam
- Promotes effective cleaning
- Derived from babassu oil

Applications: detergents, multi-purpose cleaners, liquid soaps.

Tea tree

Natural antimicrobial action.

- Controls bacteria and fungus
- Helps neutralize odors

Applications: multi-purpose cleaners, disinfectants, pet areas.

Green Cocoamphoacetate-B

High foaming power with gentleness.

- Dense and homogeneous foam
- High efficiency with lower dosage
- Ideal for frequent cleaning
- Derived from Babassu oil

Applications: concentrated detergents, kitchen and bathroom cleaners.

Eucalyptus

Freshness and functional cleanliness.

- Antiseptic properties
- Sensation of freshness
- Environmental respiratory comfort

Applications: disinfectants, sanitizing sprays, air fresheners.

Citronella

Natural repellency and environmental protection.

- Insect repellent action
- Odor control
- Feeling of freshness

Applications: repellents, air fresheners, cleaners and candles.

Natural technology for efficient and conscious cleaning.
